

To Further the Development of Cities and Countries for the Glorification of the Faith

Bahau'llah

Translated

To Further the Development of Cities and Countries for the Glorification of the Faith

*"Promote ye the development of the cities of God and His countries, and glorify Him therein in the joyous accents of His well-favored ones. In truth, the hearts of men are edified through the power of the tongue, even as houses and cities are built up by the hand and other means. We have assigned to every end a means for its accomplishment; avail yourselves thereof, and place your trust and confidence in God, the Omniscient, the All-Wise."*¹
