

Ye should consider the question of goodly character as of the first importance.

'Abdu'l-Bahá

Original English

— 108 —

Ye should consider the question of goodly character as of the first importance. It is incumbent upon every father and mother to counsel their children over a long period, and guide them unto those things which lead to everlasting honor.

Encourage ye the school children, from their earliest years, to deliver speeches of high quality, so that in their leisure time they will engage in giving cogent and effective talks, expressing themselves with clarity and eloquence.
