*[Extract from a Tablet of 'Abdu'l-Bahá]*

These are the Tablets of the Kingdom written by the Supreme Pen in the Preserved Tablet. Such Tablets have not descended from the Realm of the Kingdom to the earthly world; nay they are preserved and protected in an invisible treasury. If at any time a soul shows such Tablets attributing them to God saying that it is the "Ruby Tablet" or the "Fifth Tablet of Paradise", it is without truth.
