

In short, O ye beloved of the Lord! Regard ye not the tyranny and iniquity of the ignorant...

Abdu'l-Bahá

Translated

[Extract from a Tablet of 'Abdu'l-Bahá]

In short, O ye beloved of the Lord! Regard ye not the tyranny and iniquity of the ignorant. Resist oppression with justice, oppose tyranny with equity, and respond to bloodthirstiness with loving-kindness. Be the well-wishers of the advancement of Persia and its people, and strive to promote civilization for all humanity.
