[A Tablet of 'Abdu'l-Bahá]

He is God.

O Shoghi! I have no time to talk; leave me be! Thou didst say "Write", and I have written. What else should I do? Now is not the time for thee to read and write; it is the time to jump about and to chant "O my God!" Memorize the prayers of the Blessed Beauty and chant them for me, that I may hear them; there is no time for anything else.
