

# By the righteousness of God, my Well-Beloved! I have never aspired after worldly leadership.

Bahá'u'lláh

Translated by Shoghi Effendi. Original Arabic

– LIV –

By the righteousness of God, my Well-Beloved! I have never aspired after worldly leadership. My sole purpose hath been to hand down unto men that which I was bidden to deliver by God, the Gracious, the Incomparable, that it may detach them from all that pertaineth to this world, and cause them to attain such heights as neither the ungodly can conceive, nor the froward imagine.
