

From the Writings of `ABDU'L-BAHÁ

‘Abdu’l-Bahá

Translated from Persian

To my honoured and distinguished sister do thou convey the expression of my heartfelt, my intense longing. Day and night she liveth in my remembrance. I dare make no mention of the feelings which separation from her has aroused in mine heart; for whatever I should attempt to express in writing will assuredly be effaced by the tears which such sentiments must bring to mine eyes....
