

From letters written on behalf of SHOGHI EFFENDI

Shoghi Effendi

Original English

He deeply appreciates your sincere, well-expressed reference, to the tribute he has written to the dearly beloved Greatest Holy Leaf. You cannot imagine to what an extent our dear Guardian has, in this loss, been deprived for ever of the sustaining influence and kindness that this Most Exalted Leaf used to shower daily upon him. In this beautiful Tribute we can trace the life of this beautiful soul, witness with anguish all the sufferings and deprivations that she has endured. Now we should, all of us, try in turn to follow her saintly path and direct all our energy to serve the Cause, which has been so dear to her.
