

Letters of THE GREATEST HOLY LEAF

Bahiyih Kkanum

Translated from Persian

You should not think that the record of those meetings can ever be blotted out from the pages of history or that the memory of those gatherings can fade from the face of the world. Nay every single act, every deed or utterance is a seed sown in the garden of life. Ere long it will grow and develop, yielding an abundant harvest even as a fruitful tree....

Those sufferings were endured for the sake of God alone and for His love. They occurred during this century in which the Manifestation of God has appeared, and their underlying purpose was solely to glorify the Cause of the Abhá Beloved, and to exalt the Word of God. Indeed, a single deed performed in this Day is equivalent to the deeds of a thousand years.
