

Letters of THE GREATEST HOLY LEAF

Bahiyih Kkanum

Translated from Persian

In this day, those holy souls are divinely confirmed who stand firm in the most sacred Cause of the Abhá Beauty, those who are steadfast, and loyal to the Covenant and Testament of ‘Abdu’l-Bahá.

Praised be the undying glory of God that you and all His friends have attained this greatest of gifts. You stand fast-rooted in the divine Covenant, and you turn to the appointed Centre, the explicitly chosen Branch. In all the world, what conceivable bounty could ever be greater than this?
