

Letters of THE GREATEST HOLY LEAF

Bahiyih Khanum

Translated from Persian

I was very glad to know of your meeting with the Chinese students, and I am sure your effect and influence shall be great upon them because their fresh and receptive minds are ready to grasp the importance of this Manifestation; and when you go to China, which you may if you think it wise, your influence and success, I hope, will be still more.

I pray God that He should confirm you in your teaching, and when you go to China, He should make you a pioneer in carrying the Message of this Dispensation to the farthestmost countries of the world and to the most obscure.

The members of the Holy Family join me in extending to you their love and Bahá'í greetings, and may the spirit of 'Abdu'l-Bahá guide you and keep you.
