

# Letters of THE GREATEST HOLY LEAF

Bahiyih Kkanum

Translated from English

We beseech God—exalted be His glory—to grant awareness and insight to the men of wisdom as well as to those who hold in their grasp the reins of power in Persia, that they may be able to distinguish the right way from the crooked and devious path and may clearly discern the well-wisher from the ill-wisher with a true and genuine sense of discrimination.

As regards the amelioration of your own affairs, let us entrust the whole matter to the Blessed Beauty. He is the best Benefactor, unsurpassed in His bounty.
