

Letters of THE GREATEST HOLY LEAF

Bahiyyih Khanum

Translated from Persian

You quite well realize, I presume, that Shoghi Effendi has always cherished the fondest hopes for your services to the Cause of 'Abdu'l-Bahá, and I am sure that your achievements will be great, shining brilliantly as a star. The field is world-wide and with but a noble spirit and faith in the Lord we can carry to every home this Message of peace and brotherhood.
