

Letters of THE GREATEST HOLY LEAF

Bahiyih Khanum

Translated from Persian

Your numerous letters written to the beloved Guardian and myself have all arrived and brought with them the sweet perfume of your devotion, sincerity, strong faith and active and beautiful services you are inexhaustibly rendering to the Cause of God. You should be happy, dear Bahá'í sister in being so wonderfully confirmed in your spiritual life.

The beloved Guardian of the Cause is nowadays in good health and through the magnificent efforts the friends are exerting in every country to strengthen and augment their bond of unity and love for one another, his grief has been lightened and so we have great hope that he will return to the Holy Land before long. Here he will resume his personal touch with the friends the world over and will inspire them with his guidance to still greater activity.

The Ladies of the Holy Family and I are always remembering you dear friends of 'Abdu'l-Bahá and praying for your confirmation and happiness. I am thankful to all the dear friends who so faithfully and lovingly responded with their excellent deeds to my affectionate appeal for greater unity and love. May the Blessed Beauty and 'Abdu'l-Bahá reward them richly and crown their sincere services with great results.
