

Letters of THE GREATEST HOLY LEAF

Bahiyih Khanum

Translated from Persian

From this hallowed Spot I send heavenly greetings to those two faithful servants of the holy Threshold of the Abhá Beauty. Indeed, no word of compliment could be compared to this expression of praise and commendation, whereby, thanks be to God, you both have distinguished yourselves as the devoted servants of His divine Threshold and as the sincere, the self-sacrificing bond-slaves serving at the door of His mercifulness. You have always proved yourselves untiring in your noble efforts and are continually striving with utmost endeavour to discharge your important and glorious duties. This can be attributed to naught save to the unfailing bounties of the Abhá Beauty and to the invisible aid that 'Abdu'l-Bahá has graciously accorded you.
