

Letters of THE GREATEST HOLY LEAF

Bahiyih Khanum

Translated from Persian

It always cheers my heart to hear from the dear friends whose hearts are so full of love and devotion, and desire to serve this Blessed Cause which has been proclaimed by Bahá'u'lláh to all the world, so that all national, racial, and religious prejudices will be abolished, and the world of humanity recognized as one home, and all men as brothers.

I certainly shall pray specially for you that you may be richly blessed in your work and service to the Blessed Cause. One soul who becomes entirely selfless and devoted and filled to overflowing with the spirit of love and service will do much for the progress of the Cause in whatever locality he is. Be assured, if you arise to serve, the Beloved Master says Nothing shall be impossible to you if you have faith. As ye have faith so shall your powers and blessings be. I convey to you the warm love and Bahá'í greetings of Shoghi Effendi, and all the family, and again assure you of our earnest prayers that you will be enabled to render much service to the Kingdom.
