"...this community can do no better than to gird up afresh its loins, turn its back upon the clamour of the age, its fears, confusion and strife, step resolutely forward on its chosen path, unshakably confident that with every step it takes, should it remain undeflected in its purpose and undimmed in its vision, a fresh outpouring of Divine grace will reinforce and guide its march on the highroad of its destiny."

Shoghi

"...The annals of the British Bahá'í community, small in numbers, yet unconquerable in spirit, tenacious in belief, undeviating in purpose, alert and vigilant in the discharge of its manifold duties and responsibilities, have in consequence of its epoch-making achievements been vastly enriched.

"The process set in motion and greatly accelerated through the successive formulation of the Six Year Plan, the Two Year Plan and the Ten Year Plan, must continue unabated and unimpaired. Nay with every passing day it must gather momentum. Every individual believer must, henceforth, encouraged and inspired by all that has already been achieved, contribute to its future and speedy unfoldment.

"That the entire community may befittingly respond to the call of the present hour and bring to a final consummation the Mission with which it has been entrusted is the deepest yearning of my heart and the object of my unceasing prayers."
